### **Business Recommendation Letter**

To whom it may concern,

I confirm that CONSMAR d.o.o. (Rijeka) was employed as the electrical subcontractor working on Sports Hall "Marino Cvetkovic" in Opatija (period 2012.-2013.) , and IKEA Store Zagreb (period 2013.-2014.).

It has been a privilege and pleasure working with CONSMAR as their indirect client during my tenure as Strabag Electrical Installation Manager.  
The high standard electrical work completed by CONSMAR throughout the project was crucial for final quality and Client satisfaction.

I'm sure Consmar's participation within any organisation of future project will be of great benefit.  
I highly recommend their services to the wider Industry.

Best regards,  
Martin Šuća, B.Sc.C.Elec.
